

Christian Prayer for God's Protection Throughout the Day

Heavenly Father,

I come before You this day seeking Your divine protection.
Cover me, my family, and all that concerns us under the shadow of Your mighty wings.

Lord, go before me and make every crooked path straight.
Walk beside me and keep me safe from danger, accidents, illness, and unseen threats.
Guard my heart, my mind, and my steps.

Let Your angels surround me wherever I go.
Let Your presence strengthen me in every moment.
Let Your light shine upon my path and keep me from all evil.

Jesus, be my shield, my refuge, and my fortress.
Fill me with courage, peace, and confidence, knowing that You are always with me.

Thank You, Lord, for Your faithful protection.
I trust in You completely.

In Jesus' mighty Name I pray,
Amen.
